**Did you know?** Your PCS membership means that you and your family have access to a host of benefits, including comprehensive legal services that are totally free of charge.

Using the free PCS legal service, provided by Thompsons Solicitors, means you and your family have the guarantee of 100% compensation – however complex the claim, or serious the injury. You won't get that with local lawyers or those that are advertised on TV.

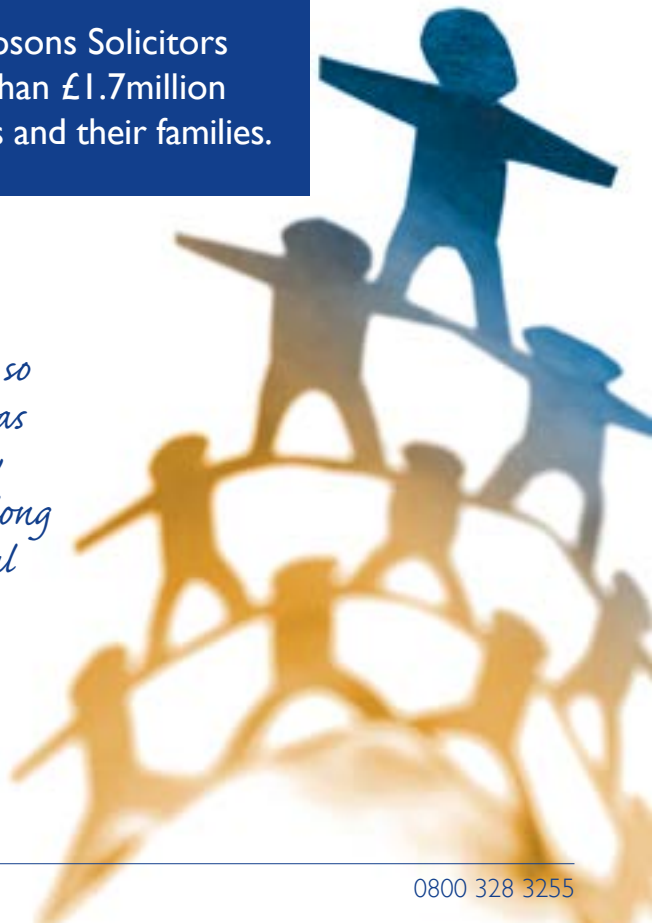

Thompsons Solicitors is uniquely committed to the trade union movement and will only ever act for the injured or mistreated - never for employers and never for insurance companies.

In 2016-17 alone, Thompsons Solicitors helped to secure more than £1.7million for injured PCS members and their families.

PCS members benefit from free legal representation for:

- Work-related personal injury claims (excluding repetitive strain injuries)
- Non-work accidents, including road traffic accidents (family members involved in the same accident are also covered)
- Asbestos disease claims
- Employment law matters (accessed via your PCS representative)

You also benefit from reduced rates for wills, conveyancing and probate services.

“

*I dealt with very helpful, sympathetic lawyers who explained to me what I didn't understand in clear and plain language. I will urge anyone I know to be a member of a union. I think it's fantastic that there is a dedicated law firm supporting people in their cases against the employer.*”
